Thunes.

Video message on the RemTech awards

Watch Hugo Cuevas-Mohr (CEO) and Priscilla D'oliveira Friedman (COO) of CrossTech talk about the RemTECH awards that will be presented on Day 3 of the Summit (16 June) and their association with the GFRID Summit to promote innovations and impactful contributions in the field of remittances and investments. The Awards ceremony, coordinated by CrossTech, will provide a platform for the awardees to share their achievements and inspire others to drive progress to achieve the SDG 2030 agenda.

Marketplace at the Summit

The Marketplace is ready to welcome you!

More than 30 entities from the public and private sectors will be there showcasing their products, documentation, and innovative ideas related to remittances and/or diaspora investment mechanisms.

Do not miss the opportunity to visit them during networking hours.
